Nadiator Swim Meets

Regular Home Meets

- **Saturday, June 1**
- **Saturday, June 29**

We will open the entire facility immediately after meets conclude. These swim meets begin at 8am and usually end at roughly 12pm. If the opening is delayed beyond 1pm, an update will be posted on www.rainoutline.com.

Pool Rules

For a full list of our general pool rules, please ask a shift manager for more details. General rules are posted at Crystal Lake Park Family Aquatic Center. According to the Illinois Department of Public Health, if your child is still in diapers, a swim diaper must be worn at all times while if your child will be entering the water. We understand that accidents do happen, however we are required to close the facility/body of water to properly sanitize and clean any pool that is contaminated. Approved diapers are available for purchase at the front office window.

Lap Swim Etiquette

Children under age 15 are not allowed in the pool during lap swim times. Due to the popularity of lap swimming, lap lanes for the general public are not guaranteed during public swim hours. Early morning activities from 6-8am include lap swim, water aerobics and occasional swim team practice.

Weather

Crystal Lake Park Family Aquatic Center will occasionally close due to inclement weather. Weather conditions that will cause the pool to close its doors include, but are not limited to, outside temperature of less than 68 degrees, lightning and rain. No refunds or credits will be issued for weather related closings or for closings due to cleaning, repair or swim meets. For up-to-date weather information, check our Rainout Line at ***www.rainoutline.com***.

Food & Drink

Now Proudly Serving dippin' dots

Purchase snacks and drinks from the vending area or bring your own soft-sided cooler. Staff will check coolers at the entrance for items that are not allowed. Prohibited items include glass bottles and open containers of liquid. Health codes require us to ask patrons to dump any open containers, so please bring either sealed water bottles or empty bottles that you fill at our free water filling station.

FOR YOUR SAFETY

All waterslide riders must be at least 48 inches tall without exception. The waterslides are 37 feet tall and there are three to choose from: the swirly open slide, the enclosed body slide and the enclosed drop slide.

Only Coast Guard-approved flotation devices are allowed. See the label to check if yours is approved. Staff reserves the right to check any personal flotation devices for safety reasons. Parents are required to be within arm's reach of a child wearing a life jacket. Life jackets are not allowed on slides or in the diving well.

Meet an Aquatics Employee

Jennifer Nierenhausen

Aquatics Specialist

How long have you worked in Aquatics at UPD? I have worked for the Urbana Park District for 8 years. I started working as a shift manager and then moved to the Aquatics Specialist Position shortly after.

How long have you worked in Aquatics? I started working in Aquatics at a fairly young age. I started as a swim instructor/front desk/concession worker when I was 13/14 years old. I then got certified as a lifeguard. After working as a lifeguard for quite a few years, I obtained by Lifeguard Instructor License and moved to a shift manager position all at our local pool. I also started training swim instructors as well when I obtained by Water Safety Instructor Certification. I moved up to the Aquatics Specialist position and have been working with the UPD. A couple of years ago I was a pool auditor for Starguard — which is our lifeguard certification program. I traveled around Illinois, Indiana, and Missouri to perform pool audits and test out the lifeguards on safety.

Why should someone come work for us in Aquatics? Aquatics has always been such a fun job! Which is why I have been in the field for so long! Most of the time, this is a first time job for many employees. I love working with them and helping them understand the work force. We have flexible schedules, so even kids in athletics or other after school programs are able to work a few hours. What better job to have in the summer time than working at a pool with friends and keeping the place safe!

Teeny Tiny Beach Party!

Parent-Tot Swim Lessons

Children are introduced to the water with games and songs. They will work on jumping in, splashing, and being comfortable floating on front and back.

According to Illinois Health Code, all children wearing diapers must also wear plastic pants over them or wear "a swim diaper." This is to help prevent the spread of infectious disease through fecal accidents. Swim diapers are available for $1 at the entrance.

Urbana Park District Swim Lessons

Early registration is encouraged. A waitlist may be started for programs that fill quickly. The deadline is one week before the session begins. Instructors and supervisors evaluate participants to place them in the appropriate level. New participants will be tested and placed in the proper class.

Multiple Student Discount: ***Enroll more than one child in swim lessons and receive a $5 discount for each additional child.***

Important Information for Parents

- Shoes, food and drink are not allowed on the pool deck.
- Children may not have free swim before or after their swim lesson. If their lesson ends during public swim, you may re-enter after paying or scanning your UIAC pass.
- Parents, guardians, siblings and friends are not allowed in the water during swim lessons.
- Family members must watch lessons from the Mezzanine level, not on the deck.

Level 1 - Children will learn to be comfortable in the water through play and learning skills. They will begin to learn lead-up skills for the front/back crawl. Child must be 3 years old by the first day of class.

How do I know where to place my child for swim lessons?

During the first class of each session, instructors and coordinators will evaluate the child's swim skills and place them in the appropriate level.

Group Swim Lessons

Age 6 and Up
EB Cost: $45R/$67NR
Regular Cost: $56R/$84NR

Level 2 - Children will become comfortable performing swimming actions independently and begin to put stroke actions together.
Level 3 - This level will work on side breathing and will also learn lead up skills to other 4 strokes and diving.
Level 4 - This level will complete intro to breaststroke and butterfly and work on distance and endurance for other strokes.
Level 5 - Instructors will critique each stroke and work to improve efficiency. Open turns and flip turns are introduced and will increase endurance for all four strokes.
Level 6 - This level will focus on endurance and stroke assessments. Children will learn to swim longer distances and work on technique of each stroke.

Swim Clinic

Wednesdays, May 29-July 17, 6-7:30pm
Urbana Indoor Aquatic Center
Age 13 and Up

Urbana Park District Swim Clinic is a program for people who want to improve their swimming skills. This is not a "learn to swim" program, we work with people who can swim 25 yards consistently. The coaches are all competitive swimmers and teachers. They work with each person's individual abilities and goals: more fluid lap swimming, competitive racing, triathlons, feeling comfortable in the water. Our goal is to teach swimming techniques that are efficient, fluid, and fun with an emphasis on techniques that reduce the possibility of injury. With three coaches on deck, swimmers get lots of individual attention so that all levels and abilities can be easily addressed. Swimmers can attend the first session without registering to see if this clinic is a good fit. *No Class July 3.*
