RE: **Proposal for Adjustment to Resident/Non-Resident Rate Structure**

I. STATEMENT OF SITUATION

Staff's annual review of the district's fees and charges led to further discussion on the possibility of adjusting the non-resident rate. In order to serve our surrounding communities and stay competitive with area providers the following analysis was performed.

II. STATEWIDE RATE COMPARISON

Non - Resident Rates		
Champaign/Urbana		
Urbana	+	100%
Champaign	+	50%
Central Illinois		
Decatur	+	$9
Monticello		None
Charleston		None

Chicago Suburbs

*Residents in Bloomington/Normal get one week in advance to register.

III. RECOMMENDATION

Staff recommends amending the Urbana Park District's non-resident rate policy from a 100% increase to 50% over the resident rate. This action will be on the February 14, 2012 agenda.
