Urbana, IL 61801*

Help Feed the Wildlife

Your financial donation will support the feeding of birds and other wildlife that visit the center's Habitat Gardens. Feeders and feed (bird seed, suet cakes, unsalted peanuts...) are also accepted.

Adopt *an* Animal

 **Urbana Park District / Anita Purves Nature Center**

Adopt an Animal

The Urbana Park District houses a number of native animals at the Anita Purves Nature Center. Most have injuries that would compromise their survival in the wild, or were captive bred. All the animals are on exhibit and used for educational programs with schools, scouts and the general public.

Adoption is a great way to support environmental education in Champaign County. This program generates funds for the care, housing and feeding of the center's education animals. By adopting an education animal at Anita Purves Nature Center, you help to provide for the care of that animal.

When you adopt an animal, you gain a special friend at the nature center while lending support to environmental education. Your adoption is a great gift to friends or family. Adoptions are available for one, six or twelve months.

Visit Us

Stop by the Anita Purves Nature Center's Field Station where you can visit with the adoptable animals.

Adoption Options

Family or Individual Adoption

- Adoption certificate
- Animal Fact Sheet with animal's photograph
- Your name listed on the donor exhibit
- Invitation to the member's adoption party

Classroom/Group Adoption

- Class or group adoption certificate
- Animal Fact Sheet with the animal's photograph
- Class or group listed on the donor exhibit
- Special animal visit to your class or group (Year-long Adoptions only)

Gift Adoption

Parents, grandparents and friends—you can adopt an animal for that special person and we will send them an adoption package.

Birthday Adoption

Several of the nature center's animals are used as part of our birthday party programs. The birthday child can adopt the animal used for his/her party. During the party the child will be presented with the adoption packet and have his/her picture taken with the animal. Additional \$15 fee if the animal is not already part of the party program.
