

Employment Opportunities

The link below will take you to a Web site that allows you to view and apply electronically for Urbana Park District jobs and internships. Full-and part-time jobs are listed. To complete an online application you must have an active email account.

You do not need to complete your application in one sitting. The program will give you the opportunity to save some data and come back at a later date. Some fields on the electronic forms are required. You cannot be considered for employment until those fields are completed.

The Urbana Park District employs many people seasonally - most between April and October. See current vacancies or apply to be considered if a future vacancy occurs.

If you require assistance during your application process, click the 'Request Technical Help' link, or contact Andy Rousseau at 217-367-1544 extension 205.

If you wish to return to the Urbana Park District Web site from the AppliTrack pages, just hit your back button.

Please follow this link to go to the Urbana Park District Job Opportunities and Online Application Page:
