PREPARATION REQUIREMENTS OF ENTRIES FOR DISPLAY

The exhibit committee requires that all pieces be prepared as follows. If these requirements are not met, your entry will not be displayed. All prints must be mounted on foam core measuring 11"x14"x3/16". Any size print that fits on an 11x14 piece of foam core is acceptable, but entrants are advised that prints smaller than 8x10 are likely to have less visual impact than competing prints of a larger size. Prints may be flush mounted (all the way to the edge of the foam core), matted, dry-mounted or neatly affixed with adhesives (no tape please). No framed pieces will be accepted. Each entered print must have a title ("untitled" is not acceptable). Entries must be clearly labeled on the back in the bottom right-hand corner with the entry title, category, artist's name, and general location (e.g., city, county, state, or country) where photo was taken.

Artist's name must not appear on the front of the entry.

The 22nd Annual Champaign County Camera Club Photographic Print Competition

The Best in Show 2023 Photographic Print Competition offers non-professional photographers the opportunity to have their prints publicly exhibited and professionally judged. The purpose of this exhibit is to encourage local AMATEUR photographers' pursuit of artistic pastimes. The show is not intended as a forum for promoting sales. For more information, call the Urbana Park District at 217-367-1544, ext. 277.

The print(s) and entry form, accompanied by a check payable to the Champaign County Camera Club, must be received at the Urbana Park District **no later than Jan 25, 2023 at 6 pm**. The fees are: (Early Bird deadline) Through Jan. 18, 2023 at 6 pm, \$5 for the first print plus \$3 for each additional print. Stoughton, Urbana, IL, 61801.

ELIGIBLE ENTRIES

Entries must be new, original prints created by an amateur photographer residing in East-Central Illinois. Work not meeting these criteria will not be exhibited or judged. **To qualify as new work, the original photographic image on which the work is based must have been taken on or after Jan. 1, 2022 (except Category 10).** Original prints are those created from the photographic work (film or digital) of the exhibitor. Amateur photographers are broadly defined as those who do the exhibited form of art for pastime, not vocation. In addition, amateur photographers are those who do not do photography as a livelihood or teach arts or crafts as a profession or compete in professional art exhibits. Amateur members of clubs belonging to the Central Illinois Camera Clubs Association (CICCA, i.e. Champaign County, Decatur, Kodaroamers, Peoria & Springfield camera clubs) are eligible but must enter the Club category (for non-cash prizes).

JUDGING/CATEGORIES

For purposes of this competition, a **photo-realistic image** is one in which the original photographic content of the original image predominates, whether the original image was made on film or by using a digital camera. Alteration of the basic image by the maker is permitted, but alterations must not predominate or be obvious. Combining elements of more than one image is prohibited. CICCA members may only enter the "**Club**" category. The use of HDR (high dynamic range) in the creation of the image is not considered manipulation, as long as the image still looks photo realistic. In this competition, only photo-realistic images may be entered, with the exception of the General category.

Categories for this year's competition:

- 1. Animals** (photo-realistic category) – Main point of interest must be wild or domesticated animals.
- 2. Architecture** (photo-realistic category) – Images may show complete buildings or minute details of buildings. "Building" includes such things as bridges and other man-made structures.
- 3. Black and White** (photo-realistic category) – This category is for prints that are entirely in the gray scale (typically thought of as black and white). In addition to grey-scale images, prints done in sepia tones, colored monotone or infrared are acceptable.
- 4. Club** – CICCA members are limited to entry in this category following the General category guidelines.
- 5. General** – Any image may be entered in this category including those that have been significantly manipulated via photo-editing software or combine elements from more than one scene, or include text, borders, etc. **Youth entering a manipulated image must enter it in this category.**
- 6. Landscape** (photo-realistic category) – Includes the visible features of an area of land or water, including the physical elements of landforms, water bodies, living elements of landcover incl. vegetation and human elements (crops, buildings, and roads), transitory lighting, weather elements.

7. Nature (photo-realistic category) – Image must be shot in a natural environment. The hand of man, such as buildings, fences, roads, etc., must not be present. Domesticated animals must not be present. Images containing a plant/animal found in nature must have been photographed in its natural environment. A beautiful plant found in nature but brought into a studio to be photographed would not fit in the Nature category.

8. People (photo-realistic category) – Main point of interest must be an individual person or a group of people.

9. Youth Division – All youth entries (with the exception of strongly manipulated images which will be judged in the General category) will be judged in a single general category. Youth wishing to have their entries judged in the other categories may do so by paying the appropriate entry fees and entering their images in those categories. All youth entrants will be awarded a Certificate of Participation at the end of the competition. The youth category is open to children ages 17 and younger and 18-year-olds currently enrolled in high school.

10. Wandell Sculpture Garden 25th Anniversary Celebration – for this category only, and to celebrate the history of the Garden, your image can be from any year. Photos should feature Urbana Park District's Meadowbrook Park and/or the Wandell Sculpture Garden. This special category is to commemorate the silver anniversary of the Sculpture Garden. For more info, visit <https://bit.ly/3LnYeoy>.

PRIZES Each of the 10 categories will have a "Best in Show" winner along with a 2nd and 3rd place winner as well as multiple Honorable Mentions. In other words, there will be 10 people who will receive "Best in Show" awards which amount to a combination of cash and prizes, excepting the Club category which is eligible for ribbons only. There will be no single image chosen as the "Best in Show" overall. The 2nd and 3rd place winners in each of the non-club categories will receive cash awards. Honorable Mention winners may or may not receive cash awards, depending on the total number of entries. Total cash and retail value of prizes is expected to exceed \$2000. No entrant will receive more than one cash/ merchandise prize. An entrant winning more than one ribbon will receive only the highest valued award.

EXHIBITION GUIDELINES Not all entries will necessarily be placed on public display; the Best in Show Committee will exercise sole discretion in determining which prints to exhibit. Special requests by exhibitors regarding placement of their work will not be accepted. The committee reserves the right to change the category in which a print has been entered if it believes the print has been entered in an incorrect category. All decisions by the committee are final.
