Aquatic Programs

Parent-Tot Swim Lessons

Children are introduced to the water with games and songs. They will work on jumping in, splashing, and being comfortable floating on front and back.

According to Illinois Health Code, all children wearing diapers must also wear plastic pants over them or wear "a swim diaper." This is to help prevent the spread of infectious disease through fecal accidents. Swim diapers are available for \$1 at the entrance.

How do I know where to place my child for swim lessons?

During the first class of each session, instructors and coordinators will evaluate the child's swim skills and place them in the appropriate level.

Parent Information

- Shoes, food and drink are not allowed on the pool deck.
- Children may not have free swim before or after their swim lesson. If their lesson ends during public swim, you may re-enter after paying or scanning your UIAC pass.
- Parents, guardians, siblings and friends are not allowed in the water during swim lessons.
- Family members must watch lessons from the Mezzanine level, not on the deck.

Urbana Park District Swim Lessons

Early registration is encouraged. A waitlist may be started for programs that fill quickly. The deadline is one week before the session begins. Instructors and supervisors evaluate participants to place them in the appropriate level. New participants will be tested and placed in the proper class.

Multiple Student Discount: Enroll more than one child in swim lessons and receive a \$5 discount for each additional child.
