ORGANIZATION AND OPERATION

The Urbana Park District, organized in 1907, is a separate unit of local government - a municipal corporation which operates under the Statutes of the State of Illinois. It is governed by a five member Board of Commissioners elected to six year terms in biennial public elections. The Park District also has a Citizen Advisory Committee composed of eighteen members representing all areas of Urbana and a wide variety of interests.

The Urbana Park District annually reviews its mission, values and objectives in order to ensure that its public is served in the best possible way. The mission represents a general statement of purpose, while the values represent an ethical structure in which the Park District operates. The goals are actual program and operational activities the Park District plans to accomplish in the next 12 to 18 month period.

The entire statement serves a threefold purpose. It allows the public, through the Urbana Park District Advisory Committee, to have a voice in the operations of the District. It informs the residents of the community as to the intent of Park District policy. It provides a set of standards by which the Board and staff can evaluate their performance.

VISION

To expand the District's legacy of delivering parks, natural areas, recreation facilities and programs that improve the quality of life, sense of community and value for residents and users.

MISSION STATEMENT

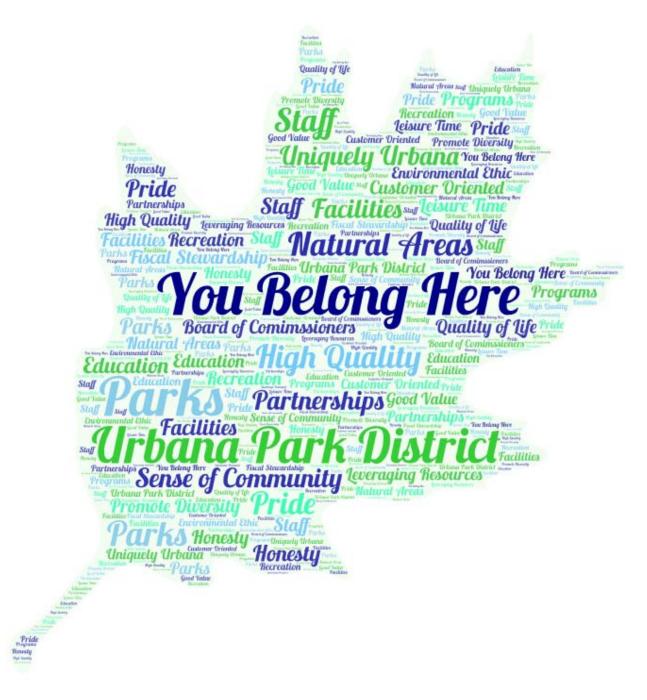

It is the mission of the Urbana Park District to:

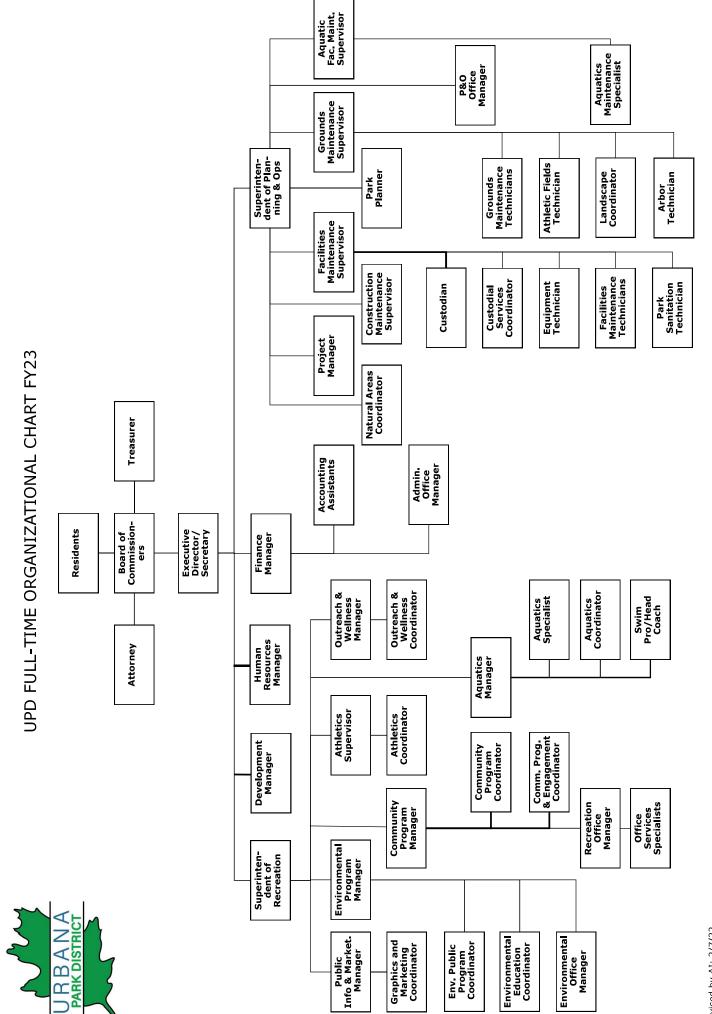

- Improve the quality of life of its citizens through a responsive, efficient, and creative park and recreation system;
- Pursue excellence in a variety of programs, parks and special facilities that contribute to the attractiveness of neighborhoods, conservation of the environment and overall health of the community.

OUR COMMUNITY VALUES

The Urbana Park District is value based, customer oriented, and quality driven. The Board of Commissioners and the staff strongly believe and are committed to the values that honesty is the best policy and that one should treat others the way one would like and expect to be treated.

The following word cloud represents the overall principles and values of the Urbana community related to the delivery of parks and recreation facilities and services:

FY23 Goals

In September of 2019, the Urbana Park District Board of Commissioners officially accepted the *Urbana Park District Strategic Plan 2020*. The first strategic plan in over ten years, it strives to set priorities and focus energy and districtwide resources on common initiatives. Centered on four planning pillars, the strategic plan is intended to be concise, digestible, and engaging for the reader. This plan will guide the district for five years, 2020-2024.

With this new planning tool outlining the five-year vision of the district, the format of annual, or fiscal year, goals will also be changing. In the spirit of a more concise and digestible strategic plan, the annual goal format endeavors to be much simpler and easy to follow. It is important to note that the strategic plan goals and annual goals are different but corresponding. While strategic plan goals are longer-term and big picture, annual goals are intended to be completed within one year. Annual goals are often more narrowly focused.

In mind during the goal-setting process for Fiscal Year 2023 was continued recovery from the COVID-19 global pandemic. With the wide availability of vaccines and the removal of the state mask mandate, the Urbana Park District is looking at the best ways to provide programming and facility access safely as the community resumes the new, post-pandemic normal. With this focus in mind, below are the elements of the district's response.

COVID-19 Planning and Recovery

- Continue to work closely for evaluation of needs and impacts. Seek opportunities to increase ways of safely connecting to the community.
- Continue to monitor public health/CDC guidelines, and make adjustments to programs and facilities as necessary.
- Work closely with federal, state, county, and local agencies, communicate and share information, seek funding, and align decisions jointly.

Goals are either holistic (Districtwide) or identified by department (Administration, Planning & Operations, Recreation), and are based on our four strategic plan pillars and an additional category related to annual goals which fall outside the long-term vision of the strategic plan. The five categories are as follows:

- You Belong Here

URBANA PARK DISTRICT SCHEDULE OF DEBT OUTSTANDING AT APRIL 30, 2022

The Bond Principal and Interest Fund (Debt Service Fund) is used to account for the retirement of general obligation bonds and is used for payments of bond principal and bond interest which are the only payments permitted in the Bond Fund tax levy.

Bond principal and bond interest payments also are made in the Debt Service Fund for the retirement of one special bond sale. Twenty year Alternate Revenue Source Bonds totaling \$14,950,000 were sold on December 23, 2019 to realize interest savings on the refunding of the Series 2010 and Series 2011 Alternate Revenue Source Bonds, to make improvements at Crystal Lake Park, and for various Health and Wellness initiatives in the district. Payments on the Alternate Revenue Source Bonds are not made from taxes collected each year in the Bond Fund. Instead they are paid from taxes collected in the General, Recreation, and Museum Funds which are then transferred to the Bond Fund for this particular use.
