Skiing & Sledding
Crystal Lake Park is a great location for winter activities when the weather permits. Cannonball Hill is perfect for cool, steep sledding fun. The hill lights are on until 9pm. Cross country skiers enjoy the brisk weather while skiing the park’s trails using their own equipment.

Ice skating is no longer allowed on Crystal Lake. The lake acts as a drainage basin for Crystal Lake Park and the surrounding neighborhood and is continually receiving new water all winter. This means there is no guarantee that the lake will freeze evenly to a depth of six inches. Illinois Department of Natural Resources regulations require this uniform depth for safe skating. Crystal Lake Enhancement Plans

Crystal Lake Park remains a priority for the district and community. Staff are working on significant improvements of the park and within the 9-acre lake. Phase One of the rehabilitation project, sediment removal from the basin, was completed in 2017. Upcoming Phase Two work will include restoration of a portion of the shoreline with a native plant buffer that will reduce erosion, and will provide improvement to the water quality through storm water infrastructure. Additionally, stone outcroppings, a kayak launch, new playground and other recreational amenities are funded with the help of the OSLAD grant the park district received in early 2019. This work is currently scheduled to begin sometime in the Winter or Spring of 2020.

HOW TO SEARCH FOR FACILITY AVAILABILITY ONLINE

2. Click the red “click to register online” button.
3. Click the “Rentals tab”, then click the gray “View Facilities” button.
4. Scroll down the list to find your desired facility or enter the type of facility into the search bar (e.g. room, gym, pavilion, or pool). A list of matching facilities will be generated, but do not click on the facility’s name.
5. The right column has a “view availability” box for each facility. Click on that box and a calendar opens.
6. Find the date you are interested in. Most facilities will have available times listed in that square. For others, you will click on the “view available times” wording in that day.
7. For pavilions only, click the blue “Book” button to book online. At that point you will be prompted to login to an existing ActiveNet account or to create one if your family does not have one.
Stop by the Urbana Park District’s updated recreation office and community center. This public facility has three multi-purpose rooms with new padded polyurethane flooring, a senior lounge and a beautiful dance/fitness room. Champaign Park District Bark Park members must bring their membership receipt to the Urbana Park District to purchase an Urbana Dog Park fob. Rules for both parks are the same.
Natural Areas

Our goal for these natural areas is to restore areas characteristic of Illinois’ most diverse habitats. Restoration includes planting and seeding native plants, removing nuisance plants, and conducting prescribed burns to encourage healthy growth. Learn more about each of these areas at:

www.urbanaparks.org/parks/natural-areas/

Natural areas are open sunrise to sunset. Naturalists are available, and classes are designed for all age groups and interests. To inquire about programs and services, call the Anita Purves Nature Center at 217-384-4062. Visit page 16 for information. **Help us maintain these natural areas by not collecting items, walking pets or cycling.**

Busey Woods

Busey Woods is a 59-acre bottomland oak-hickory forest. It is located at the north end of Crystal Lake Park with an entrance just west of the Anita Purves Nature Center. The C-U Optimist Club sponsors management of Busey Woods.

Commissioners Grove & Wetland in Weaver Park

With the help of volunteers, the Urbana Park District is restoring a variety of ecosystems at this quietly emerging park. Located south of the intersection of Main Street and Smith Road, this 60-acre park contains:

- 35 acres planted with prairie and native grasses
- An award-winning watershed management wetland
- A 5-acre woodland/savanna restoration
- Parking for the Kickapoo Rail Trail

Spomer Prairie in Meadowbrook Park

Prairie was the dominant natural feature of Illinois before the settlers arrived. Since 1978, the Urbana Park District and countless volunteers have worked to recreate approximately 80 acres of Illinois native landscape. Visit this park in south Urbana, along Windsor Road and Race Street, and explore and enjoy a part of Illinois’ natural history that has all but disappeared.

Perkins Road Wet Prairie

With help from the Illinois Department of Natural Resources Conservation 2000 program, the district is restoring 35 acres behind the dog park. Once restored, the park will include prairie and wetland environments for wildlife observation, environmental education programs and recreation.

If you or your group is interested in volunteer opportunities, call Ellen Kirsanoff, Development Coordinator, at 217-367-1536 or email erkirsanoff@urbanaparks.org.
