Friendship Grove Nature Playscape

 Anita Purves Nature Center
1505 N. Broadway, Urbana

 Gold/Ruby

 Questions: 217-384-4062

The Urbana Park District has created the Friendship Grove Nature Playscape at the Anita Purves Nature Center for all kids! It is a hands-on, kid-directed outdoor play space where fun in nature is led by a child's imagination and ingenuity. The playscape provides accessible play opportunities for a variety of physical, mental, cognitive and emotional abilities. There are four main features or "anchor pieces" and additional play features that will change with the seasons.

The Four Anchor Pieces

- Fort - Imagine all the ways you can use this multi-purpose structure.
- Fallen Tree - Use large muscles to climb, jump and balance; search for signs of wildlife.
- Digging Area - Get dirty and have fun playing on the ground with friends.
- Tunnel - Crawl and traverse this hill/tunnel combination.

Climbing features are intended for ages 5-12. Children must be accompanied by an adult.

Planning a group visit? Call 217-384-4062

If you plan to bring a group of 10 or more, please call ahead. The staff at the nature center can help you choose a time that does not conflict with a scheduled school tour and can help you reserve picnic tables, if needed.

Now's the Time to Begin Wedding Plans!

The Lake House is a fantastic location for an intimate wedding or other celebration. Call Janet at 217-367-1544 ext. 277 to discuss set-up options and accommodations for a larger party. Skiing and Sledding

Crystal Lake Park is a great location for winter activities when the weather permits. Cannonball Hill is perfect for cool, steep sledding fun. The hill lights are on until 9pm. Cross country skiers enjoy the brisk weather while skiing the park's trails using their own equipment.

Ice skating is no longer allowed on Crystal Lake. The lake acts as a drainage basin for Crystal Lake Park and the surrounding neighborhood and is continually receiving new water all winter. This means there is no guarantee that the lake will freeze evenly to a depth of six inches. Illinois Department of Natural Resources regulations require this uniform depth for safe skating. Call our Planning and Operations office at 217-344-9583 if you have questions.

Crystal Lake Enhancement Plans

Crystal Lake Park is a priority for the district and community. We are working on significant water quality improvements at the 9-acre lake that will help recover from the aesthetic deprecation caused by nuisance weeds (watermeal and duckweed). We are continuing plans to restore the shoreline with a native plant buffer that will reduce erosion and goose impacts. Engineering is beginning for creation of a 10-foot wide shared-use path on the south border of the park, funded by the Illinois Transportation Enhancement Program.
