Dear fellow Urbana residents,

We hope you have managed to stay well during the long COVID-19 pandemic and the many ups and downs that have come with it. We have seen extraordinary usage of our outdoor spaces and trails where many patrons have found respite from "cabin fever".

Though numerous programs have had to be cancelled for public health reasons, UPD staff have worked hard to put on as much COVID-safe programming as rapidly changing health guidance has allowed. While we do not expect a "normal" recreational season ahead, this guide is still full of programs and events for you that we expect to be available.

Unlike last summer, for example, we are intending to re-open the outdoor aquatic center in Crystal Lake Park and to run some day camp programs. Remember that you can go online at www.UrbanaParks.org for convenient registration and to keep abreast of changing circumstances. As always, our popular camps fill up early, so don’t wait.

The next several months will have lots of construction activity. Look for another round of changes in Crystal Lake Park once the building season gets underway. We will be continuing to revitalize the lake and make the park more attractive and useable by the public. The park will remain open throughout, so please visit to see the extensive changes. Blair Park is also on the agenda for significant upgrades once the construction season is underway.

Highlights include an 8’ wide multi-use path on the north and west sides to complete a perimeter loop trail. There will be an all new playground with separate 2-5 and 5-12 age appropriate equipment, new half-court basketball, and a challenge course for teens and adults to exercise and engage in friendly competition.

In anticipation of more programs and activities than we were able to conduct last year, we will have jobs available for hiring. We are committed to attracting applicants that represent the full diversity of Urbana.

Have a great spring and summer and enjoy all your favorite UPD parks and programs, which the outstanding UPD staff work so hard to provide. And above all please remember that You Belong Here!

Sincerely,
Michael W. Walker
President

Residency
Residents living within the boundaries of the Park District regularly support park facilities and programs through property taxes. People living within the boundaries of the Urbana and Champaign Park Districts pay the resident (R) fees. Acceptable documents that prove current residency include, but are not limited to: utility bill, home-owner’s or auto insurance bill, cable bill, bank statement, vehicle registration, or voter registration card. (Emailed or faxed copies are accepted.) If in doubt about whether your document is acceptable, ask a staff person. Call 217-367-1544. See also reciprocal agreement on this page.

The Urbana Park District has established a nonresident fee system in order to equalize payments by individuals residing outside of the Park District boundaries, so they will contribute to the overall financing of the park system on an equitable basis with residents. The Urbana Park District offers three options for nonresident program fees:

1. Individuals may pay 1.5 times the resident fee.
2. Individuals residing immediately adjacent to Urbana Park District boundaries have the option of annexing their property into the district. For more information, call 217-367-1536.
3. Individuals may purchase an Urbana Park District annual park membership. This fee is computed based on the assessed value of the participant’s property using the current Urbana Park District tax rate. The membership fee for rented properties is $100 per year. Memberships are valid for programs May 1 through April 30 of the following year. Ask a Phillips Recreation staff member for additional information. These memberships do not qualify you as a resident for purposes of Urbana Indoor Aquatic Center Memberships.

Reciprocal Agreement
The Urbana Park District and Champaign Park District have a reciprocal agreement. A resident of one district can participate in programs at the other district at the resident rate.
Not applicable to the Urbana Indoor Aquatic Center.

- **EB** - Early Bird; An early registration deadline with a lower fee
- **R** - Resident; Individuals living within the boundaries of the Urbana and Champaign Park Districts

COVID-19 PRECAUTIONS
All visitors are required to wear masks while inside the facilities.

Visitors to the facilities for programs or rentals will need to fill out contact tracing, sign-in, and answer health screening questions. For more information, call 217-367-1544.
Refunds, Cancellations, Withdrawals
If you withdraw from a program at least two weeks before it begins, you may choose to apply the fee for that original program toward another program OR you may receive a refund of the program cost minus a $5 processing fee. In cases where the minimum number of participants is not reached, the park district may have to cancel the program. In this case, full refunds will be issued. There will be a $25 service charge on all returned checks and declined scheduled payments.

ADA / Equal Access
The Urbana Park District works cooperatively with C-U Special Recreation to offer equal access to our recreation programs and services for persons with disabilities. For further information, call C-U Special Recreation at 217-239-1152.

Youth Financial Assistance: Partial Fee Waivers for Urbana Park District Residents
In order to provide financial assistance to the greatest number of individuals and families, we are able to offer partial fee waivers to qualified participants.

Youth Financial Assistance is available to those residing within Urbana Park District boundaries. Fee waivers are available year-round and are awarded based on demonstrated financial need. We closely follow the criteria set forth by the Urbana School District for their free and reduced lunch program.

Applications must be turned in at least two weeks before a program’s deadline. This allows adequate time for processing and approval. Place in a program is reserved once payment is received. Submit requests early. Applications can be picked up in person at the Phillips Recreation Center, 505 W Stoughton, Urbana or on our website.

Along with a proof of residency, the following items must accompany your fee waiver application:

Any of the following as they apply:

Annual Martin Luther King-Jettie Rhodes Neighborhood Day

On behalf of the MLK Adopt-A-Park & Urbana Park District:

"Due to the coronavirus (COVID-19) pandemic, we've made the difficult decision to cancel MLK Jettie Rhodes Neighborhood Day for 2021. We have been following the Restore Illinois Plan since the onset of COVID in March 2020. More important, due to the uncertainty of being able to host the event to the magnitude that we have been able to do in past years, it is in the best interest and priority that we continue to follow the CDC guidelines, to ensure the health and safety of all individuals and families. Additionally, it is vital to limit social contact.

We thank you for your continued support and understanding as the steps we're taking keeps all attendees safe and helps to prevent the further spread of the virus. The good news is: while we are not having our huge event this year, we will be partnering with a few organizations to continue to fulfill our service to the community by continuing to serve individuals and families from diverse backgrounds, to fulfill a need.

Additional information about this initiative will be forthcoming and can be found by visiting the MLK Jettie Rhodes Neighborhood Day Facebook page.

Again, thank you for your continued support and we look forward to seeing you in 2022!

Connecting You with Nature -
Virtual Hikes on Facebook Live

Wednesdays from 1-2pm

These programs are a great way to learn about nearby nature before visiting on your own. To watch, find the Anita Purves Nature Center on Facebook at https://www.facebook.com/APnaturecenter.

Benefits of Natural Areas
Natural areas maintain ecosystem balance and build resilience to climate change. They provide “ecosystem services” like improving water and air quality by absorbing excess water and carbon dioxide. Management of natural areas promotes biodiversity by providing habitats and resources critical for supporting a wide variety of plants and wildlife.

The beauty and diversity of natural areas is inspiring. Observing wildlife, walking outside, and other interactions with nature are proven to improve human health and well-being. Natural spaces offer a variety of social, mental, and physical benefits. These include stress reduction, lower blood pressure, decreased depression and anxiety, and relief from the symptoms of Attention Deficit Disorder.

Why No Dogs?
Dogs–on leash or off–are a threat to wildlife. Wild animals perceive dogs as predators. This interrupts their normal behaviors, like feeding or resting, and causes them stress. Repeated stress can result in long-term decreases in growth, reproduction, and protection against disease. A dog’s scent repels wildlife even after the dogs are gone. Dog urine “marks” territory, which can make it undesirable for wildlife.

Why No Bikes?
Bikes intrude on wildlife habitats and disturb the peace that natural areas offer to all who visit them. Many of the District’s natural areas are seasonally wet environments, so the impact of bikes on the soft trails can make paths unusable for walkers.

What Is a Natural Area?
The Urbana Park District protects, restores and manages natural areas. By “natural area”, the District refers to an area that is preserved or restored to a state that is characteristic of Illinois’ native habitats, like prairies and woodlands. These designated areas include Busey Woods in Crystal Lake Park, much of Meadowbrook Park, Weaver Park, and the Perkins Road site. Passive recreation such as photography, hiking, and birding in small groups is encouraged. Collecting of plants, wildlife and natural items is prohibited.

Perkins Road Wet Prairie
With help from the Illinois Department of Natural Resources Conservation 2000 program, the district is restoring 35 acres behind the dog park. Once restored, the park will include prairie and wetland environments for wildlife observation, environmental education programs and recreation.

GENERAL CAMP INFORMATION

If you have any registration questions, call the Phillips Recreation Center at 217-367-1544, ext. 1.

- All campers must be toilet trained unless limited by a disability. (Does not apply to preschool arts camp.)
- Participants will be the correct age for camp enrollment by September 1, 2021.
- Camps may be canceled at any time if weather conditions become severe or threaten the safety of the campers and staff. No refunds are issued when camps are canceled due to weather.
- There is no camp on Monday, July 5 in celebration of Independence Day.
- Full payment is preferred at registration. An extended payment option is available for anyone who registers in person or online. To register by phone, payment in full by credit card is needed. Your child can be enrolled in a camp when all the following conditions are met:
  - Registration and full payment is made by cash, check or credit card, or extended payment form is turned in to the Phillips Recreation Center.
  - Space remains in the camp session(s) requested. As camps fill, waiting lists are created on a first come, first serve basis. Please ask the registrar for details.

I HAVE MORE THAN ONE CHILD IN CAMP, IS THERE A DISCOUNT?

Families with more than one child attending any Urbana Park District camp during the same session receive a discount of $28 per session for each additional child. Multiple-child discounts are only available over the phone or in person, not online.

I NEED ASSISTANCE AFFORDING CAMPS. ARE THERE SCHOLARSHIPS AVAILABLE?

Requests for scholarships must be received no later than two weeks before a program’s deadline. See page 5 for details. Space is not guaranteed, and a spot is not saved for your child until we receive payment or the $25 deposit. The regular camp payment schedule still applies.

I RECEIVE ASSISTANCE FROM CCRS (CHILD CARE RESOURCE SERVICE). WHAT DO I NEED TO DO ABOUT CAMP REGISTRATION?

A $10 deposit per child per week will be required to save a spot. These deposits will be refunded at the end of the summer as long as your child attends 80% (4 out of 5 days) of camp for each week enrolled. Due to the cost of camps and the amount that CCRS can cover, extended camps are an extra fee that will not be covered by CCRS. If you would like to register for these camps, you will need to sign up for the regular payment plan. An approval letter for the Urbana Park District or payment in full will be required by the Thursday before a camp begins in order for your child to attend. You are responsible for any remaining balance after CCRS. Once your letter is received, payment must be made or a payment plan set up with the Office Service Specialist II within 1 week for your child to continue attending camp.

HOW CAN I PAY FOR CAMP IN INSTALLMENTS USING THE EXTENDED PAYMENT OPTION?

The Extended Payment Option is only available for registration in person or online; phone registration is not available. If you choose to pay in installments, a $25 per camper, per week, nonrefundable registration deposit is required. This deposit will be applied to the full payment of the camp fee. The remainder of the fee must be paid by pre-authorized credit card payment or pre-authorized automated withdrawal from checking account. In addition to the registration form, you will complete an extended payment form authorizing the Urbana Park District to make scheduled withdrawals from your checking account or credit card. The payment plan is a set schedule established by the Urbana Park District. Your credit card or checking account will be debited two weeks before the first day of the camp session. If an automatic payment is declined for any reason, a $25 service fee will be assessed. The camp fee and the service fee must be paid by Wednesday of the same week to avoid your child being unenrolled from camp.

CAN I REQUEST A REFUND?

There is a $25 nonrefundable deposit for every camp session. Refunds for the camp price, minus the $25 deposit, will be issued if requested at least two weeks prior to the camp start date. No refunds are issued when camps are canceled due to weather.

HOW DO I TRANSFER MY CHILD FROM ONE CAMP TO ANOTHER?

You may transfer your child to another camp, space permitting, if you make the request at least two weeks prior to the start of the camp session. Any difference in fee must be paid at time of transfer.

MY CHILD NEEDS SPECIFIC/SPECIAL SERVICES. HOW DO I REQUEST THEM?

Champaign Urbana Special Recreation (CUSR) offers inclusion services for Urbana Park District programs. Upon an initial assessment, services that are deemed appropriate based on each individual will be provided. If needed, a one-on-one aide will work with your child. When registering, please fill in the ADA information section as needed on the registration form. If you register online you must contact the Phillips Recreation Center to arrange special services. Services must be requested at least three weeks prior to a program in order to best serve your family.

Summer Camps Using ePACT

The Urbana Park District will be using a new computerized system called ePACT to organize and secure your camper(s) documents. Upon regular registration of camp programs, you will be sent an email from ePACT. This email will prompt you to log-in to the ePACT system and create and account for your child(ren). You will be able to fill in all of the required information for camp. This system will replace paper camper information forms. You will also be able to create an account for yourself and all adults who are able to take your child home. Creating an account with ePACT for your child and associated adults is a requirement. If you need technical assistance or would like to use an Urbana Park District device to complete this piece of registration, please call the Phillips Recreation Center at 217-367-1544.

Is the Pool Open? To find out when we are open for business, call the Crystal Lake Park Family Aquatic Center at 217-239-7946, check our Facebook page, or check our Rainout Line at www.rainoutline.com.
**Pool Rules**
For a full list of our general pool rules, please ask a shift manager for more details. General rules are posted at Crystal Lake Park Family Aquatic Center. According to the Illinois Department of Public Health, if your child is still in diapers, a swim diaper must be worn at all times while if your child will be entering the water. We understand that accidents do happen, however we are required to close the facility/body of water to properly sanitize and clean any pool that is contaminated. Approved diapers are available for purchase at the front office window.

**Lap Swim Etiquette**
Children under age 15 are not allowed in the pool during lap swim times. Due to the popularity of lap swimming, lap lanes for the general public are not guaranteed during public swim hours. Early morning activities from 6-8am include lap swim, water aerobics and occasional swim team practice. Only 2 people allowed per lane, starting at opposite ends of the lane. Lap swim reservations are mandatory.

**Weather**
Crystal Lake Park Family Aquatic Center will occasionally close due to inclement weather. Weather conditions that will cause the pool to close its doors include, but are not limited to, outside temperature of less than 68 degrees, lightning and rain. No refunds or credits will be issued for weather related closings or for closings due to cleaning, repair or swim meets. For up-to-date weather information, check our Rainout Line at www.rainoutline.com.

### Food & Drink
Purchase snacks and drinks from the vending area or bring your cooler. Staff will check coolers at the entrance for items that are not allowed. First Strokes Swim Academy, a certified provider of Infant Swimming Resource (ISR) lessons.

https://www.firststrokesacademy.com

Infant Swimming Resource’s Self-Rescue® program teaches children how to survive if they were to reach the water alone. ISR lessons are one-on-one and customized to the developmental level of each child. Babies who can crawl--generally six months to 12 months old--learn to hold their breath underwater, roll onto their back to float, rest and breathe. Children who can walk--generally one year of age and older (up to six years) learn to hold their breath under water, swim with their head down and eyes open, roll onto their back to float, rest and breathe, and roll back over to resume swimming until they reach the side of the pool and can crawl out. Each session is a six-week course, scheduled 5 days per week, Monday through Friday, for 10 minutes each day. The cost is $90.00 each week for 6 weeks ($540.00).

Prior to beginning lessons: Your child’s unique medical history is reviewed by a team of medical professionals to identify any potential health issues that may affect your child’s lessons and safety. There is a $105.00 registration fee to ISR and covers the cost of the review for one year.

Private Rentals
When you rent the Urbana Indoor Aquatic Center before or after public hours it includes swimming, party area, and use of the facility. Lifeguards will be provided. An additional $75 deposit is due at the time of request. Minimum of 2 hrs. Saturday and Sundays between 12pm-7pm.

Parent-Tot Swim Lessons

Children are introduced to the water with games and songs. They will work on jumping in, splashing, and being comfortable floating on front and back.

According to Illinois Health Code, all children wearing diapers must also wear plastic pants over them or wear “a swim diaper.” This is to help prevent the spread of infectious disease through fecal accidents. Swim diapers are available for $1 at the entrance.

How do I know where to place my child for swim lessons?

During the first class of each session, instructors and coordinators will evaluate the child’s swim skills and place them in the appropriate level.

Parent Information

• Shoes, food and drink are not allowed on the pool deck.
• Children may not have free swim before or after their swim lesson. If their lesson ends during public swim, you may re-enter after paying or scanning your UIAC pass.
• Parents, guardians, siblings and friends are not allowed in the water during swim lessons.
• Family members must watch lessons from the Mezzanine level, not on the deck.

Urbana Park District Swim Lessons

Early registration is encouraged. A waitlist may be started for programs that fill quickly. The deadline is one week before the session begins. Instructors and supervisors evaluate participants to place them in the appropriate level. New participants will be tested and placed in the proper class.

Multiple Student Discount: Enroll more than one child in swim lessons and receive a $5 discount for each additional child.

Parents: We Want YOU!

Volunteer Coaches Needed

Adult volunteers coach our youth sports programs such as T-Ball, basketball, and soccer. Without our volunteer coaches, we do not have leaders for your child’s team. As a volunteer, you will spend 3-4 total hours per week leading practices through drills and skill building exercises and coaching games — that you go to already. Training resources are provided for each sport including discussions on skills, strategies, and policies. We can even match you with another parents and you can co-coach. Parents interested in helping should call 217-255-8601, or fill out a Volunteer Application online at www.urbanaparks.org/get-involved/volunteer/. Volunteer as head coach for your child’s team and receive a refund for your child’s fee once the season is complete. Applies to all youth sports teams except Wood Bat League.
Fall Outdoor Youth Soccer

Practices:
- MW or TuTh, Starting August 23, 5:30-6:30pm, Various Urbana Schools & Parks

Games:
- Saturdays, September 11-October 23
Ages 7-14
Fall Parent: 9547

Learn rules, soccer skills, and the value of teamwork and sportsmanship in a fun environment. Then play games on Saturdays. All teams are coached by volunteer coaches. U12 Boys, U14 Boys, U12 Girls, and U14 Girls leagues combine with the Champaign Park District, and will play most games at Brookens or Dodds Soccer Complex in Champaign. Sign up for your first choice of practice site. Depending upon enrollment, teams may be combined and you may not receive your first choice. If you are switched to a different location, you will be contacted by the park district.

Team groupings are switching this season to the standard U system. This is a designation common in other soccer leagues and matches the Champaign Park District.

Every child must wear an Urbana Park District reversible jersey (blue and gold) for games. Stop by the Phillips Recreation Center, 505 W. Stoughton, to purchase one for $16.

Cycling Games: Teaching Bicycle Skills and Safety through Games
June 13-19
All Ages
FREE

Learning to bicycle gives us lifelong healthy living skills as we can bicycle from preschool through retirement. Learning good bicycling skills should begin early and in Denmark they begin teaching bicycle skills in preschool through games. The Danes have been teaching bicycling in schools for 40 years and every child in Denmark learns basic bicycle safety skills. During the week of June 13-19 an instructor who works with the Danish Cycling Embassy will be teaching us about how they do this. We will be offering a free public lecture and social event one evening that week at a local brewery. For those who would like to learn more about how to teach children, there will be a free training workshop that will be held June 18. To get more information on how to attend, please check for updates on the C-U Bike Month website at http://cubikemonth.weebly.com/bicycling-education.html.

Organic Gardens: Community Gardening in Meadowbrook Park
Growing Season: March 7-November 7, 2021
Meadowbrook Park - Race St entrance
Age 18 and Up
Garden at the oldest local organic community gardens!
Since 1975, the Meadowbrook Organic Garden program has supported healthy bodies and a healthy community. We provide space, water, hoses and wheelbarrows. You supply tools, plants, labor, and optional fencing. A garden supervisor will assist with questions or concerns. Garden plots are rented in “as is” condition and participation is at your own risk. This is a community garden and interaction with the general public is expected and encouraged. For more information, call 217-384-4062 or read the garden manual at www.urbanaparks.org/parks/meadowbrook-park/.

To Register for a Garden Plot:
• Register by calling 217-367-1544 or completing the registration form on page 63. Online registration is not available.
• In addition to the plot rental fee, gardeners pay a $30 deposit. The deposit is returned at the end of the growing season if the gardener abides by the Urbana Park District’s published guidelines. Returning gardeners in good standing earn a discounted deposit.
• Gardeners will receive a digital orientation packet upon registration. Plot selection will take place during the orientation process.

Solidarity Gardens CU
Solidarity Gardens CU, modeled after the WWII-era Victory Gardens, encourages home gardening through the distribution of tools, seeds, plants, and information, and is a center for production and distribution of fresh produce to community members that are most in need. The Solidarity Gardens began in 2020 and was successful in enhancing community garden production by utilizing nearly 10,000 sqft. across various community garden spaces in the area! The Solidarity Gardens CU provides a platform to let home gardeners know where they can donate their extra produce to feed those in need in their community. In 2020, over 200 lbs. of produce was donated to those in need in the community. Visit https://www.solidarity-gardens-cu.org/ to donate, get involved and learn more about this great resource!

Is your club or group interested in volunteering?
Solidarity Gardens CU is looking for groups to “adopt” garden plots in local community garden spaces to plant, maintain and harvest produce to be donated through the Solidarity Garden CU initiative. Interested? Email Chelsea Prahl at cpraahl@urbanaparks.org.
The nature center houses a number of education animals that demonstrate the variety of wildlife living in Illinois. Most have injuries that would compromise their survival in the wild, or were captive-bred. All of the animals are on exhibit and featured during educational programs with schools, scouts and the general public. In 2019 these animals visited over 50 different groups!

You could be part of their lives! Your financial contribution, or “adoption,” goes directly toward the animals’ medical care, housing and food. This is a great way to support local environmental education! Adoptions also make great gifts to the animal lovers in your life.

**Upon adoption you receive:**
- Fact sheet with the animal’s history and photographs
- Adoption certificate
- Your name on the donor exhibit in the Field Station for the period of the adoption

You can also help increase visibility of wildlife in the outdoor habitat gardens by donating bird seed!

URBANA PARK DISTRICT ADVISORY COMMITTEE

Every year, the Urbana Park District looks for volunteers interested in serving on the Urbana Park District Advisory Committee (UPDAC). Members of UPDAC are community volunteers who help the Board of Commissioners and staff of the Urbana Park District investigate new ideas, study possible changes and improvements, and evaluate current park district operations. Meetings are held monthly on the 4th Tuesday of the month (except July and December). The time commitment is between 2 and 3 hours a month, and includes the monthly UPDAC meeting and potential committee meetings. UPDAC members are appointed for a three-year term. For consideration of appointment to UPDAC, you must be a legal resident of the Urbana Park District, and fill out an application for nomination. You might be interested in serving on UPDAC if you:

- Are interested in learning more about the Urbana Park District
- Are willing to share information about park district issues with your peers
- Would like an opportunity to share feedback from your neighborhood with the district on a regular basis
- Value diversity and inclusivity

Every effort is made to balance UPDAC membership both geographically and demographically. It’s important that UPDAC represents all of Urbana! You can learn more about UPDAC, and find the application, by visiting our website at www.urbanaparks.org/get-involved/urbana-park-district-advisory-committee-updac. You may also contact Administration Office Manager, Kelsey Beccue at khbeccue@urbanaparks.org, or 217-367-1536.
