IV. Consent Agenda
A. Action on Ordinance 2024-04 Authorizing the Sale/Disposal of Personal Property
   Staff noted that the wording on item A has been adjusted to reflect the current options for
   potentially disposing of the hill at Prairie Park. Staff stated that more investigation is needed
   to determine the best course of action for disposal.

   COMMISSIONER DIGGES MADE A MOTION WITH A SECOND BY COMMISSIONER HASTINGS
   TO APPROVE THE ACTION ITEM ON THE CONSENT AGENDA AND ACCEPT ALL THE
   INFORMATION OF ITEM LISTED ON THE CONSENT AGENDA IN AN OMNIBUS MANNER
   WITH THE ADJUSTED LANGUAGE. A ROLL CALL VOTE WAS TAKEN, ALL SAID “AYE.”

V. Discussion
A. Prairie Weaver Planning
   Director Bartlett stated that staff have been engaging in additional public input over the last
   few months in regards the Weaver and Prairie Parks Master Plan. He noted productive
   meetings with many groups and community members, which have resulted in 3 new options
   for amenity design at Weaver Park.

   Derek Leibert reviewed the process of community engagement, including a community wide
   survey regarding possible amenities, multiple Focus Groups, steering committee meetings
   and feedback, engagement with the local neighborhood and the school, outreach to other
   important stakeholder groups, and discussions with the design firm to incorporate
   community feedback. He noted that the results of additional feedback have resulted in the
   following changes: expanding/improving the second softball field at AMBUCS, rather than
   locate those fields at Weaver Park, and additional changes to the soccer field designs at
   Weaver to minimize impact.

   Board and staff discussed the 3 new proposed design options, community needs, trail
   options, schedule, and next steps. Staff noted that they would like to move forward with a
   final plan and vote from the Board in August.

   Derek Leibert reviewed the next steps of incorporating additional feedback into the design,
   holding a community wide open house in July, and approving the final design in August.

B. Sled Hill
   Staff provided background information on the sledding hill at Prairie Park and noted that a lot
   of information is currently unknown. Staff noted that additional investigation is needed to
   determine what type of material the hill is made up of and what disposal options would be
   possible.

   After additional discussion, the Board expressed support for moving forward with testing and
   investigation of the hill, with preference of removal of the hill due to the additional space
   that would be created within Prairie Park.

VI. Comments from Commissioners
   Commissioner Blumthal thanked staff for all their hard work on community engagement and
   outreach that has occurred for the Weaver Park Master Plan process.
VII. Adjourn
Commissioner Blumthal adjourned the meeting at 8:24 PM.
